

I FOUND THE CURE // HOSPITALITY

I Found The Cure would appreciate a well-groomed lunch or dinner if they have to be present between **12:00 o'clock and 21:00 o'clock**.

I Found The Cure would like to make use of a dressing room with mirrors and free WIFI connection.

I Found The Cure would also like to make use of a **free** parking space at the venue or event.

Before and after the show, *I Found The Cure* would appreciate to have:

- Bottled water (with and without bubbles) in the dressing room and to take on stage.
- Coffee machine or in thermos and coffee milk/creamers.
- 2 Bottles (1,5L) of CocaCola/Lipton Ice Tea.
- 48 bottles (30cl) of beer (Heineken or local beer).
- 1 Bottle of red wine.
- 2 Bags of chips (paprika/sweet chili).
- 1 Pack of cigarettes (Lucky Strike/Marlboro).

If any requests on this rider cannot be met, please contact Joost Ebbers using the following details:
